ii. Data on imports of textile machinery, parts & accessories for the period April 2014 to August 2014.

A statement showing the data on import of textile machinery, parts & accessories - HS Code No.8444 to 8451 as received from the Directorate General of Commercial Intelligence & Statistics, Kolkata for the period April 2014 to August 2014 is given below:

ITC (HS) Code No.	Commodity Description	Value in Rs. Crore
8444	Machines for Extruding, Drawing, Texturing or cutting Man-made textile materials	75.07
8445	Machines for Preparing Textile Fibres, Spinning, Twisting, etc. Machinery for producing Textile Yarns, Machines for preparing Textile Yarns for use on Machines of 8446/8447	1021.46
8446	Weaving Machines (Looms)	1104.89
8447	Knitting Machines, Stitch Bonding Machines and machines for making Crimped Yarn, Tulle, Lace, Embroidery, Trimming, Braid/Net and machines for Tufting	925.67
8448	Auxiliary Machinery used with Machines of Heading 8444, 8445, 8446/8447, Parts & Accessories used with this Heading/of Heading 8444, 8445, 8446/8447	812.45
8449	Machinery for Manufacture of Finishing of Felt or Non-wovens in Piece/in Shapes including Machinery for making Felt Hats, Blocks for making Hats.	301.68

8451	Other Parts of Household Laundry type Machines etc. and machines for applying paste to base fabric, etc. Machines for Reeling, Unreeling, Folding/Cutting Textile Fabric	508.53
Grand Total		4749.75

The data available up to August 2014 from DGCI&S the import is Rs.4749.75 crore.

A statement showing import data as obtained from a private source for the period April 2014 to September 2014 is as under:

ITC Code	Heading	Import during (April 2014 to September 2014)
84:44	Synthetic Spinning	83.44
84:45	Spinning	1175.69
84:46	Weaving	1256.56
84:47	Knitting, stitch bonding, embroidery	1135.80
84:48	Parts and accessories of above	917.25
84:49	Non-woven/technical textiles	350.99
84:51	Processing	569.54
Total		5489.27

The import data for the above period is Rs.5,489.27 crore.

iii. Data on export of textile machinery, parts & accessories for the period April 2014 to August 2014.

Given below is a table showing the data available from the Directorate General of Commercial Intelligence & Statistics, Kolkata on HS Code No.8444 to 8451 - export of textile machinery, parts & accessories for the period April 2014 to August 2014 :

ITC (HS) Code No.	Commodity Description	Value in Rs. Crore
8444	Machines for Extruding, Drawing, Texturing or cutting Man-made textile materials	11.27
8445	Machines for Preparing Textile Fibres, Spinning, Twisting, etc. Machinery for producing Textile Yarns, Machines for preparing Textile Yarns for use on Machines of 8446/8447	337.62
8446	Weaving Machines (Looms)	59.27
8447	Knitting Machines, Stitch Bonding Machines and machines for making Crimped Yarn, Tulle, Lace, Embroidery, Trimming, Braid/Net and machines for Tufting	6.11

8448	Auxiliary Machinery used with Machines of Heading 8444, 8445, 8446/8447, Parts & Accessories used with this Heading/of Heading 8444, 8445, 8446/8447	440.12
8449	Machinery for Manufacture of Finishing of Felt or Non-wovens in Piece/in Shapes including Machinery for making Felt Hats, Blocks for making Hats.	0.99
8451	Other Parts of Household Laundry type Machines etc. and machines for applying paste to base fabric, etc. Machines for Reeling, Unreeling, Folding/Cutting Textile Fabric	90.02
Grand Total		945.41

As per DGCI&S data, the export for the above period is Rs.945.41 crore.

The following table shows export data obtained from a private source for the period April 2014 to September 2014 :

ITC Code	Heading	Export during April 2014 to September 2014 (Value in Rs. crore)
84:44	Synthetic Spinning	17.31
84:45	Spinning	488.28
84:46	Weaving	48.32
84:47	Knitting, stitch bonding, embroidery	9.95
84:48	Parts and accessories of above	480.98
84:49	Non-woven/technical textiles	0.73
84:51	Processing	101.91
	Total	1147.48

The export data from the private source for the above is Rs.1147.48 crore.

Council may note.

4) ACTION POINTS/PLANS FOR TMMA DURING THE YEAR/NEXT YEAR - SEMINARS/WORKSHOPS/CONFERENCES & OTHER ACTIVITIES

I. PROJECTS

a) Shuttleless Loom Development Project

TMMA in collaboration with CMTI and consortium of loom manufacturers proposed to develop high speed shuttleless loom in India. A draft MOU was prepared and circulated among interested loom manufacturers.

The CMTI submitted the project report to the Government.

A meeting of the Loom development consortium members with CMTI officials was held on 17th November, 2014 in Surat to discuss about their analysis of the looms they studied, the estimated expenditure of the project and the progress of the project. On 26th November 2014, DHI called up for a Screening Committee meeting for approval of various projects on capital goods industry in which CMTI on behalf of the consortium & TMMA presented the loom development project. The project was

positively approved by the committee. On 11th December the DHI has called up for an Apex Committee meeting in which these projects will get the final approval.

Besides, the Tripartite Agreement among TMMC, CMTI and TMMA is going to be signed around the same time.

The Secretary General/Joint Secretary to brief.

b) Common Facility Center (CFC)

TMMA in association with Surat Engineering Vikas Association (SEVA), Surat and Uka Tarsadia University, Bardoli, Surat proposed establishment of a Common Facility Centre in Surat. A tripartite Agreement was signed between TMMA, SEVA and UTU. However due to scarcity of fund the DPR could not be prepared by IL&FS. TMMA requested the Department of Heavy Industry to sanction an amount of Rs. 12 lakhs to get the DPR prepared and submit to the DHI within next three months. A concept note along with the tripartite agreement has already been submitted to the DHI. A meeting with the Department of Heavy Industry was held on 26th November, 2014. Further action is being initiated based on the advices of the DHI.

Council may note

c) Skill Development Project

The Capital Goods Sector Skill Council (CGSC) formed by FICCI in collaboration with the Department of Heavy Industry and other stakeholders under the aegis of National Skill Development Council (NSDC) has been registered as a society. A contribution of Rs. 5 lakhs was requested by FICCI & DHI towards the CGSC from all the stake holders. TMMA contributed a part payment of Rs. 2,00,000/- to FICCI CGSC.

Shri Prakash Bhagwati to brief on the status of the Project.

II. OTHERS

a) **Actions initiated/to be initiated by the Sub-Committees of the Association**

Conveners of the respective Sub-Committees to brief the developments of the Sub-Committee.

So far the Sub-Committees are not active.

Council may discuss.

b) **Seminar on Textile Processing Machinery Sector**

Council to decide a date for organizing the Seminar on Processing Machinery.

c) **CII TEXCON 2014**

The Confederation of Indian Industry organized a two day Conference TEXCON 2014 on 15th & 16th October 2014 in New Delhi. The theme of the Conference was "Role of Indian Textile and Apparel Industry in Changing Global Supply - Demand Scenario". The Conference deliberated on various opportunities, technological advancements, latest trends and related issues relevant to the textile and apparel industry.

There were four plenary sessions during the Conference. Our Chairman Mr. Prakash Bhagwati was the member of the Core Group of the Organising Committee and chaired the third Plenary Session, "Textile Machinery Manufacturing in India – Important Paradigm for Growth". This session focused on understanding the challenges for investment in machinery manufacturing in India and also the opportunities.

TMMA sponsored an amount of Rs. 2 lakhs for the Conference.

Council may note

5) TEXTILE MACHINERY EXHIBITIONS :

a) The following exhibitions to be held in the near future :
